Administrative File System

25X1C

25X1C
25X1C

Attached is an index of the [REDACTED] Administrative files. The numbering system of the KUBARK regulatory system has been used as a guide in setting up these files. They effect only the administrative matters of [REDACTED] and have no bearing on the planning and support of the operational function of [REDACTED]; therefore, these files are not incorporated in the overall file system.
